## INFORMATION

### DE PLAETS

---

Welcome to Hotel  
Amsterdam - Brasserie De  
Roode Leeuw! Thé location  
for your event, drinks or  
private dining.

Our history goes back to the  
15th century. We are one of  
the oldest hotels in  
Amsterdam. Herberg De  
Roode Leeuw and later  
coffee house De Roode  
Leeuw were located on the  
Plaetse, the current Dam,  
from 1454 to 1911.

In 1911, the hotel and  
Brasserie opened its doors at  
the current location. The  
location is fantastic and very  
centrally located on the  
Damrak, a stone's throw  
away from Dam Square. The  
hotel and the Brasserie are  
still privately owned.
